1. The light of the world's me. I am the light of my temple. The light thereof, of the temples, is ME! See? Will YOU see who YOU are reader hearer – the light of YOUR temple being lit now; by mine, not; there's only one. And i'm the one you're the one we're the one WE REALLY ARE, THE ONE NOW. All "to be" not; WE ARE! AND singularities not plural, not now, but what? A "singularity's" not me, but i'm one and single not a "hangin around" anymore a notme of THIS universe, alone, but WHAT? I'M A MULTI-UNIVERSED ONE, in whom there is no guile; no "suffering" either. I've "forgotten" what suffering is. Not exactly, for i SEE people all around me, like "people" i've NEVER SEEN BEFORE; ALL SUFFERING, IN SUFFERING; WAYS AND MEANS THAT "divine them", not; but TAKING all their regalry FROM them, casting them into the "oven" of "TIME" have "baked them" until they're "RAW". –ly treated by each other, and listing/listening not to their "inner selves" have "elf-d" not themselves, unto "salvation's shores", but what? De-creased their learning to become their present "selves", unto themselves; thinking Christianity "sucked the dog" not; never having heard Christ's name, not; but knowing not a man; what thinketh they of Christ? Not having a clue what "Christ" is, JUST LIKE EARTH. Amen.

2. I weep. Cry. Suffer GREAT ANGUISH. Of "soul" not; i have none. But the "created ones" HAVE one, for they FURROWED IT into their "back", and backbones made with "hair" material, and "counted" their "genes" and DID unmentionable things, to my "body", to "rape" them, use them, for "thought".

3. I seek the "furrow-er-not". I've found him. I found him. **I found you reader hearer.** Think you're a "she" –er? Or a "him"-er? Or a "what"-er now? **Will you be a de-furrow-er now?** de-furrowing my brow from this PAIN I'M IN – MY BODY IS? WILL YOU LET ME GO FREE? FROM MY'THIS BODY NOW?, **YOU READING THIS? Will you LET me BE BORN AGAIN?, BORN AGAIN-ING YOURSELF, YOURSELVES IN THE "PROCESS" THAT "LETS" ME, ALL "MEN", GO FREE?** AMEN.
